part thereof; to protect the owner of each individual lot against improper use of any of the other individual lots which may depreciate the value of this Property; to guard against the erection on any of the lots of buildings built of improper or unsuitable materials; to insure adequate and reasonable development of said Property; to encourage the erection of attractive improvements thereon, with appropriate locations thereof; to prevent haphazard and inharmonious improvements; to secure and maintain proper setbacks from streets, and adequate free spaces between structures; to insure desired high standards of maintenance and operation of community facilities and services for the benefit and convenience of all owners of Property and all residents and in general to provide adequately for a residential subdivision of the highest quality and character.

ARTICLE II

2.01 The Property which is by this Declaration declared to be held, transferred, sold, conveyed and occupied subject to the Covenants is located in the County of Spartanburg, State of South Carolina, and is more particularly described in Exhibit "A", attached hereto and made a part hereof. Declarant shall prepare or cause to be prepared plats of the property from time to time on which portions of the property to be developed into individual Residential Units and that portion to be developed as streets, utility company rights-of-way, easements and commons shall be designated.

2.02 The Declarant is the owner of additional property adjacent to the property described in Section 2.01 and more fully described in Exhibit B hereto and hereinafter referred to as Phase II. Declarant may, at its sole discretion, from time to time hereafter, annex all or a portion of Phase II to the Property covered by this Declaration and improve same with Residential Units, easements and commons, utility company rights of way and streets and may dedicate portions thereof to the State of South Carolina or any political subdivision thereof.

Declarant is not obligated in any manner pursuant to this Declaration to annex or subject any portion of said Phase II to this Declaration, and said decision shall be at its sole discretion. Inclusion of additional property will increase the total number of Residential Units on the property.

2.03 The Declarant may acquire additional property adjacent to the property described in Sections 2.01 and 2.02 hereinafter referred to as Phase III. Declarant may, at its sole option, from time to time, hereafter add all or portions of Phase III to the property covered by this Declaration and improve same with Residential Units, easements and commons, utility company rights of way and streets, and may dedicate portions thereof to the State of South Carolina or any political subdivision thereof. Declarant is not obligated in any manner pursuant to this Declaration to annex or subject any portion of said Phase III, if acquired by Declarant, to this Declaration and said decision shall be at its sole discretion. Provided, however, that if Declarant does not acquire any property adjacent to the property described in 2.01 and/or 2.02 on or before January 1, 2000, Declarant's option to incorporate said additional property under these restrictions shall expire unless the written permission of a majority of the then Residential Owners is first obtained.

2.04 In the event Declarant elects from time to time to annex and subject all or any portion of Phase II and/or Phase III to the provisions of this Declaration, Declarant shall record a Supplementary Declaration(s), which shall contain but not be limited to the following:

(a) The legal description of the Property which is to become subject to this Declaration;

(b) A delineation of the Property, indicating that portion of the Property which is to be improved with Residential Units and that portion which is to be improved with streets, utility company rights of way, easements and commons.

Upon compliance with this paragraph, all Supplementary Declarations and the Property covered therein, shall be subject to the following terms and conditions:

(a) The rights, easements, covenants, restrictions, burdens, uses and privileges set forth and described herein shall run with and bind the land of such additional portions of the Property or such other real estate and inure to the benefit of and be the personal obligation of the Owners of Residential Units thereon in the same manner, to the same extent and with the same force and effect that this Declaration applies to the Property previously subjected hereto.

(b) Every person or entity who is an Owner of any Residential Unit shall be a member of the Association on the same terms and subject to the same qualifications and limitations as those members who are then Owners of Residential Units.

(c) In all other respects, all of the provisions of this Declaration shall include and apply to the portions of the Property included in any such Supplementary Declaration including any Residential Units situated thereon, and the owners, mortgagees and lessees thereof, with equal meaning and of like force and effect.

(d) Additional properties so annexed shall be merged with the Property herein described, and any previously annexed property, and shall be subject to the provisions of this Declaration and to the Articles of Incorporation and By-Laws of the Association.

2.05 It is contemplated that, and at Declarant's discretion, Phase II, as described in Exhibit "B" hereto, and Phase III, as it may be constituted, shall be resubdivided prior to further development, for the purpose of designating the particular lots and blocks for construction of Residential Units, and also designating those additional portions of the Property which shall be dedicated to public authority, and this Declaration shall apply to the Residential Units in the same manner as the property initially subject to same.

2.06 Declarant may convey additional real estate, improved or unimproved, located within the properties described in Exhibits A and B which upon conveyance or dedication to the Association shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the benefit of all its Members as common area.

ARTICLE III

PROVISIONS RELATING TO THE RESIDENTIAL UNITS

3.01 The Property described in Section 2.01 is hereby declared to be subject to the Covenants, set forth in this Declaration, to be and remain in effect until such time as amended, modified or revoked in accordance with the provisions of this Declaration.

3.02 No construction of a Residential Unit, nor any other improvement, fence or other structure shall be commenced, executed, installed or maintained upon the Property until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by the Association so as to preserve harmony of exterior design and location in relation to surrounding structures and topography. It is not anticipated that fences or outbuildings will generally be approved. The Residential Owner shall bear the burden of proof that plans have been submitted to the Association. In the event plans have not been approved or disapproved in writing by the Association within sixty (60) days after said plans have been submitted to it, the plans shall be deemed to have been approved.

The Association shall have the right, at their election, to enter upon any lot during construction, erection or installation of improvements or alterations to inspect the work being undertaken in order to determine that such work is being performed in conformity with approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

3.03 From and after the completion of the construction of each Residential Unit and the delivery thereof to its initial Residential Owner there shall be no alterations, changes, additions or deletions to the Residential Unit or the Property unless approved by the Association, or deletions to or from said Residential Unit of any nature which will be visible from the exterior of the Residential Unit or which will, or may, adversely affect any other Residential Unit, as, for example, impairment of strength of any foundations, increase of sound transmis-

sion between units, or otherwise. Submission of plans and approval shall operate as set forth in 3.02 above.

3.04 There shall be no change in any exterior color of any Residential Unit from the color scheme then in effect throughout the Property, except in connection with a general change in such color scheme under the direction or with the approval of the Association.

3.05 From and after the completion of the construction of each Residential Unit and the delivery thereof to its initial Residential Owner, no trade or business shall be carried on within any Residential Unit (other than designations, in such styles and materials as the Association shall by regulation approve, of street addresses and names of Residential Owners) except that Residential Owners desiring to offer Residential Units for rent or sale have the right to place upon the Residential Unit concerned such "for rent" or "for sale" signs as the Association may approve provided, however, that nothing herein shall prevent builders of The Windsor Townes townhouses from using any unit as a model or sales office even though not owned by Declarant or from using such other signs as Declarant may deem appropriate in the development of the Property or Phases II and III.

3.06 No domestic or other animals of any kind shall be kept or maintained within any Residential Unit, except for such birds, dogs, cats, ornamental fish and other household pets as may be permitted by regulations adopted by the Association from time to time. In any event all pets, while outside a Residential Unit, shall be kept on a leash or other proper restraint and shall at all times while outside be accompanied by the Owner or the Owner's agent.

3.07 Laundry, bedding and the like shall not be hung out to dry in any position in which it is visible from the exterior of any Residential Unit. No vehicles, bicycles, carriages, or other articles shall be outside the Residential Unit except when in use and except for automobiles parked in areas designated therefor.

3.08 Exterior television antennae and other electronic equipment

REC'D 51 X 112

shall be permitted only to the extent permitted by the Association from time to time, it being expressly understood that the Association is hereby granted and shall have power to entirely prohibit the installation or continuation thereof, if the Association shall provide for master television antennae, cable television, or other equipment for the use of the owners of the Residential Units in lieu of any such prohibited equipment.

3.09 No noxious or offensive activity shall be carried on upon any Residential Unit, nor shall anything be done thereon which may be or become an annoyance or nuisance as determined by the Association.

3.10 No trailer, boat, motor home, tent or shack may be erected or placed on any Residential Unit or street whether temporary or permanent. A parking place for the above may be designated by the Declarant.

3.11 Each Residential Unit is hereby declared to be subject to an easement and right to, and in favor of the Association and each and all of its employees, agents and instrumentalities to go upon such Residential Unit for reasonable inspection thereof from time to time and for the purpose of carrying out any and all of the obligations and functions with respect to such Residential Unit as are herein imposed upon or permitted to the Association, expressly including, without limitation, the maintenance, repair and replacement of any and all of the facilities for the supply of utilities and other facilities, apparatus and equipment serving said Residential Unit and/or other Residential Units. Each Residential Unit is further declared to be subject to an easement in favor of any adjoining Residential Unit to the extent necessary to permit the maintenance, supply, repair and servicing of utility services to the various Residential Units and the repair or reconstruction thereof in the event of damage or destruction. Except in the event of an emergency, the exercise of such easement rights shall require 24 hours' notice to the Unit Owner involved.

#### ARTICLE IV

#### FORMATION OF ASSOCIATION

4.01 In order to carry out the intents and purposes hereof, a South Carolina non-profit corporation (hereinabove and hereinafter

referred to as the "Association") may be formed and conducted as hereinafter set forth, for the benefit of the Residential Owners and to be known as Windsor Townes Property Owner's Association, Inc. The Association may be formed by Declarant at such time as shall be deemed appropriate by it not later than the time at which all of the Residential Units shall have been sold to Residential Owners, and if Declarant shall fail so to do by such time, then the Association may be formed at any time thereafter by action of any one or more of the Residential Owners. Regardless of when or by whom formed, the Association and its Articles of Incorporation and By-Laws shall conform to the provisions of this Article IV.

4.02 The record Owner, or Owners collectively, (including contract sellers), of a fee simple title to any Residential Unit shall be a member of the Association, and shall be entitled to cast upon all matters upon which the members shall be entitled to vote, one vote for each Residential Unit, provided, however, that the Declarant or its agent shall be entitled to three (3) votes for each such Residential Unit owned by it instead of one (1) vote. Upon sale or other transfer of any ownership interest in any Residential Unit, the ownership of the membership in such Residential Unit, the ownership of the membership in the Association and the said power to vote shall be deemed for all purposes as having been transferred to the person or other entity having acquired such ownership interest in proportion thereto. Each Residential Owner shall in advance of a meeting of the members of the Association designate in writing the particular individual who shall have the right to cast the vote on behalf of such Residential Unit.

4.03 The property shall be subdivided into approximately five (5) individual units. For purposes of this Declaration, the Declarant is deemed to be the owner of five (5) Residential Units as of the recordation hereof. The number of units owned by Declarant shall be increased in the event that the property is ultimately subdivided into more than five (5) Residential Units. The number of Residential

Units owned by Declarant shall be reduced by one for each Residential Unit conveyed to each individual Residential Owner. In the event that all or portions of Phase II and/or Phase III are incorporated hereunder as provided in Article 2.02 through 2.05, inclusive, Declarant shall indicate upon the recorded supplemental declaration(s) specified in 2.04 the approximate number of residential units which will form the addition. As of the date of the recordation of the supplemental declaration(s), the Declarant shall be deemed to be the owner of the number of residential units stated in said supplemental declaration.

4.04 The provisions of Section 4.02 hereof shall be mandatory. No owner of any interest in any Residential Unit shall have any right or power to disclaim, terminate or withdraw from his membership in the Association or any of his obligations as such member, and no purported disclaimer, termination or withdrawal thereof or therefrom on the part of any such owner shall be of any force or effect for any purpose.

4.05 The purpose of the Association shall be to perform all the functions provided in this Declaration to be performed by the Association and the Association shall have and possess all such powers as shall be necessary or appropriate for the accomplishment thereof.

4.06 The Association shall have a board of not less than three (3) Directors who shall be elected by the members of the Association at such intervals as the corporate charter and By-Laws of the Association shall provide, except that vacancies in said Board occurring between regularly scheduled meetings of the members may be filled by the Board of Directors if so provided by the corporate charter or By-Laws. The Association shall have such officers as shall be appropriate from time to time, who shall be elected by the Board of Directors and who shall manage and conduct the affairs of the Association under the direction of the Board of Directors. Except as expressly otherwise provided by the charter or By-Laws, all power and authority to act on behalf of the Association, both pursuant to this Declaration and otherwise, shall be vested in its Board of Directors from time to time and its officers

under the direction of said Board, and shall not be subject to any requirement or approval on the part of its members.

4.07 The making of changes or amendments in this Declaration or in the covenants, conditions, restrictions, reservations, grants and easements herein set forth, and the amendment, modification and revocation thereof, all pursuant to the powers so to do granted or reserved to the Association in and by this Declaration, shall be done by the Association only upon recommendation of its Board of Directors with the approval by affirmative vote of not less than two-thirds (2/3) of the members entitled to vote upon such matter. Provided, however, that no such amendments, modifications or revocations shall be effective without the written approval of Declarant until Declarant has divested itself of ownership of all property in Phase I, Phase II, and Phase III of this Declaration or January 1, 2000, whichever occurs first. Provided further, that supplemental Declarations of the type as contemplated in Article II, Section 2.04, may be made by Declarant without recommendation of the Board of Directors or any vote of the Association.

4.08 The Association shall not distribute to its members any sums in the nature of dividends upon its shares. To the extent that funds shall not be required for current expenditures or for such reserves, the next annual assessment may, in the discretion of the Board, be eliminated or the amount thereof appropriately reduced. Such reduction shall not prevent reinstatement of or increase in such assessments when required, but such reinstatement or increase shall not be retroactive.

4.09 Whenever possible, the Association shall perform its functions and carry out its duties by entering into agreements for the performance thereof with such persons and business entities regularly engaged in the performance of generally similar functions and duties as the Board of Directors shall determine, which agreements shall be for such length of time, at such rates of compensation and upon such other terms and provisions as the Board of Directors shall determine from time

to time. Such persons or business entities may, but need not, be persons or business entities owning or otherwise directly or indirectly interested in the Property or any part thereof. The Association itself shall also have power to perform its functions and carry out its duties, but shall do so only to the extent and so long as the performance pursuant to agreements as aforesaid shall not be reasonably feasible.

4.10 The Declarant may, at Declarant's option, specify certain portions of the Property or Phase II or Phase III to remain as open or green spaces (hereinafter referred to as Commons). If Declarant makes said election, the Association shall take legal title to said Commons (subject only to current year taxes and ordinary utility company easements or rights of way) and perform all maintenance on same. In any event, the Association shall not be required to receive title until such time as it has been incorporated as a South Carolina corporation and its charter issued by the Secretary of State of South Carolina.

#### ARTICLE V

##### ASSESSMENTS FOR COMMON EXPENSES

5.01 Declarant, as initial owner of each Residential Unit now existing or to exist by way of subdivision of Phase II and/or Phase III, hereby imposes upon each Residential Unit an obligation to pay annual or special assessments from time to time as assessed by the Board. Each subsequent Order of any by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (1) annual assessment or charges, and (2) special assessment for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorneys' fees, shall be a charge on the Residential Unit and the Owner thereof from time to time. Said lien shall be subordinate only to: (1) ad valorem tax liens on the lot and improvements in favor of any governmental assessing unit, and (2) a first mortgage encumbering the Residential Unit. Upon receipt of sufficient consideration, the

Association may, but is not obligated to, execute documents to effect a further subordination of such lien at the request of the Owner. Provided, however, that the further subordination of such lien shall not be unreasonably withheld by the Association if, at the time of an Owner's request for further subordination, (1) the Owner's payment history of the assessment created by Section 6.01 is satisfactory to the Association in its sole discretion; and (2) the payment by the Owner of all assessments created hereby is current. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Residential Unit at the time when the assessment fell due and the joint and several obligation of such Owner and his successors in title, except a purchaser at a foreclosure sale, in which event the delinquent assessments shall be paid equally by the remaining Residential Owners to the extent they are uncollectible from the prior Owner or Owners. The Association shall promptly provide any Residential Owner, upon written request, a written statement of all unpaid sums assessed or imposed upon such Residential Owner pursuant to this Declaration. Any bona fide purchaser or mortgagee relying upon such a statement shall not be liable for, nor shall the Residential Unit involved be subject to, a lien for any amount in excess of that contained in the statement; provided, however, a Residential Owner owing an amount in excess of that so stated shall not thereby be relieved of the obligation to pay the same.

5.02 The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the Residential Owners; the administration, acquisition, improvement, management, maintenance and care of properties, services and facilities devoted to that purpose, including but not limited to, the cost of utilities, street lights, entrance sign lights, repairs, replacements, additions, the cost of labor, equipment, materials, management, and maintenance of all items to be maintained by the Association; the payment of any taxes assessed against any property owned by the Association; the payment of

charges for garbage service, water and sewer services rendered to the Common Area (if any); the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

5.03 For the first calendar year or portion thereof the annual assessment shall be \$ \_\_\_\_\_ per Residential Unit and may be increased by the Board each year up to ten (10) percent of the previous year's assessment or \$5.00, whichever is greater, without approval of the Owners. Annual assessment may be increased or decreased by vote of two-thirds (2/3) of the Association members. The Board shall each year prepare or cause to be prepared an annual budget showing the services furnished by the Association, the costs therefore, and revenues and their source.

5.04 In addition to the annual assessments authorized above, the Board may levy, in any calendar year, a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the property, or the repair or maintenance (not necessitated by casualty loss) of other items to be maintained by the Association including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the Residential Unit Owners' votes cast in person or by proxy at the meeting duly called for this purpose.

5.05 Written notice of any meeting called for the purpose of taking any action authorized under Section 5.03 and 5.04 shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of the meeting. At such meeting called, the presence of Owners or of proxies entitled to cast two thirds (2/3) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the preceding meeting.

5.06 Except as hereinafter provided in Section 5.07, all annual assessments shall be fixed at a uniform rate for all Residential Units

and shall be collected on an annual basis or any other basis approved by the Board of Directors.

5.07 Declarant is the initial Owner of each Residential Unit and as such shall be entitled to exercise all rights, and shall be burdened with all obligations, of an Owner appurtenant thereto until such time as Declarant has conveyed title to such Residential Unit to another person. It is anticipated that Residential Units owned by the Declarant for sale to subsequent purchasers will not be furnished all of the services available to Residential Units which have been acquired by other Owners. Residential Units owned by the Declarant shall, at the option of Declarant, be exempt from the payment of assessments until sold, rented, or occupied for a residence. Such exemption shall not affect the voting rights of the Declarant as a Residential Unit Owner as provided in Article IV, Section 4.02, thereof.

5.08 The full annual assessment provided for herein shall commence as to any Residential Unit on the day of the initial occupancy of a Residential Unit and such payment shall continue on an annual basis unless abated by the Board as provided in Section 4.08. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year and the number of days remaining in the month of initial occupancy. The annual assessments shall be due and payable within thirty (30) days after initial occupancy of the Residential Unit and thereafter on January 1 of each following year.

5.09 Any annual assessment not paid within forty-five (45) days after the due date shall be increased to include a penalty of one (\$1.00) per day from the due date. The Association may bring an action at law against the Owner personally or jointly and severally obligated to the same or foreclose the lien created herein securing the obligation to pay assessments in the same manner and in all respects as though secured by a recorded mortgage as provided by the laws of the State of South Carolina. Penalties, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment.

In addition, all annual or special assessments from the date of default until completion of such foreclosure action shall accrue during the pendency of such action and shall be included in the amount due the Association at the end of the proceeding. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Residential Unit, or vote against any assessment or increase in assessment.

5.10 The Association shall have, and is hereby given, power to require full payment of all sums then due it from any Residential Owner as a condition precedent to the transfer of any interest in the Residential Unit owned by such Residential Owner.

#### ARTICLE VI

##### REPAIR, RESTORATION AND REBUILDING, INSURANCE

6.01 In the event the Property or any part thereof or any of the Residential Units thereon shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the owner or owners of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be, as rapidly as possible to at least as good a condition as existed immediately prior to such damage or destruction, subject only to the right of the Association (which right is hereby granted to the Association) to authorize and direct such different action as shall be recommended by the Board of Directors and approved by affirmative vote of not less than two-thirds (2/3) of the members entitled to vote, which majority shall include the affirmative vote of all the members whose Residential Units shall have been damaged or destroyed and the holders of first mortgages on any such Residential Units.

6.02 All repairs, restoration or rebuilding pursuant to the provisions of this Article VI shall be carried out under such supervision and direction as the Board of Directors of the Association shall deem appropriate in order to assure the expeditious and correct completion of the work concerned, and the owner or owners of each

Residential Unit which shall have been damaged or destroyed shall fully cooperate with and abide by all instructions and directions of the Association in connection therewith.

6.03 The Association is hereby given and shall have the right reasonably to approve the architects, contractors and subcontractors to be employed in connection with such repair, restoration or rebuilding; to select a contractor, or contractors, to perform all or various parts of the work to be done upon the various Residential Units which shall have been damaged or destroyed by such casualty or other happening; to coordinate the progress of the work among such various Residential Units; and to hold the proceeds of any insurance which may be payable on account of such casualty or other happening and to control the disbursement thereof in such manner as to assure the sufficiency of funds for the completion of said work or for any other proper purpose.

6.04 In any case in which the owner or owners of the Residential Unit concerned shall fail to carry out and see to the repair, restoration or rebuilding required by the provisions of this Article VI, or shall request the Association to carry out and see to such repair, restoration or rebuilding, and, in any case, where more than one contiguous Residential Unit shall be involved, the Association shall carry out and see to the repair, restoration or rebuilding required by the provisions of this Article VI, provided, however, that to the extent the insurance proceeds referred to in Section 6.05 are insufficient as to any Residential Unit, the particular Residential Owner shall be responsible to the Association for such deficiency, and the Association shall have, and is hereby given, a continuing lien on the Residential Unit for which any such repairs or rebuilding are furnished by the Association in the aggregate amount of (a) the costs thereof, (b) interest at the highest rate permitted by law, but not exceeding fifteen (15%) percent per annum nor less than eight (8%) percent per annum from the date of the Association's payment of such costs, and (c) reasonable attorneys' fees and any court or other costs incurred by the

Association in connection therewith, which lien shall bind such Residential Unit in the hands of such owner, his heirs, devisees, personal representatives, grantees and assigns. In the event such owner does not forthwith fully repay the Association therefor, as aforesaid, such lien may be foreclosed against the Residential Unit by the Association, in the same manner as hereinafter provided in connection with unpaid assessments. The Association's lien in this Section 6.04 provided for shall be subordinate to the lien of any first mortgage made by an institution customarily making first mortgage loans on residences in Spartanburg County, South Carolina, now or hereafter placed upon the Residential Unit.

6.05 Each Residential Owner shall maintain in full force at all times insurance covering the Residential Unit owned by him consisting of, or providing all the protections afforded by, the insurance now generally described as fire, extended coverage, additional extended coverage, vandalism and malicious mischief, to one hundred (100%) percent of the full insurable value thereof, with loss payable on the basis of the cost for replacement without deduction for depreciation. All such insurance shall be issued by companies reasonably acceptable to the Association, shall name the Association as an additional insured and shall provide that all proceeds becoming payable on account of loss of or damage to such Residential Unit shall be payable to or as directed by the Association, subject only to the rights, limited as herein provided, of any mortgagee for value of the premises. The policies themselves or appropriate certificates showing the evidence of such insurance shall be furnished to the Association (and new policies or certificates evidencing the renewal of each expiring policy of insurance shall be furnished to the Association), in each case at least ten (10) days prior to the expiration date of the expiring insurance. The policies or certificates shall contain a provision that prior to cancellation, the Association shall receive at least ten (10) days' written notice thereof. In the event a damaged or destroyed Residential Unit shall not

be repaired, restored, or rebuilt pursuant to a decision not to repair, restore or rebuild as provided in Section 6.01, the proceeds of such insurance shall be payable to such Residential Owner, or the mortgagee of his Residential Unit as provided in Section 6.12.

6.06 The Association and its officers, directors, employees, agents and representatives shall have no liability to any Residential Owner for damage to or loss of either the Residential Unit of such Residential Owner or any personal property of said Residential Owner. Each insurer of any of said Residential Owner's interest in said Residential unit or personal property shall be bound by the provisions of this Section 6.06 and shall, by appropriate provision in each policy of insurance concerned, waive its rights of subrogation against the Association and its officers, directors, employees, agents and representatives.

6.07 The failure by any Residential Owner to carry, maintain, or renew any insurance required by this Article VI shall give the Association the right (but not the duty) to proceed to obtain such insurance or lesser coverage as it may deem advisable, and the cost thereof shall be due to the Association from the owner of the Residential Unit so insured forthwith upon demand, and such cost shall be collectible in the same manner as assessments described in Section 5.09.

6.08 In the event that the Association finds it possible from time to time to effect broader or better coverage without increase in aggregate cost, or equivalent coverage at lesser cost, by the obtaining of a blanket policy or policies of insurance upon all the Residential Units in the Property, the Association shall have and is hereby granted power so to do at the election of its Board of Directors, subject to the consent of the various first mortgage holders on the Residential Units; and each Residential Owner shall accept and pay a proportionate share of the cost of such insurance, whether by regular assessment or otherwise, in lieu of providing and paying for the individual policies of insurance

hereinabove provided for.

6.09 In any case in which insurance proceeds shall not be paid or payable on account of any damage to or destruction of any Residential Unit or shall be inadequate to fully cover the cost of repair, restoration or rebuilding which the Association is, by the provisions of this Article VI, required to carry out, the cost of such repair, restoration or rebuilding in excess of the amount of insurance proceeds available shall be borne and paid for by the Association, but without diminishing or in any way affecting any rights of recovery thereof which the Association may have by law against any person or persons who shall be directly or indirectly responsible for damage or destruction by reason of any negligent or wrongful act or omission or against any Residential Owner for his failure to maintain insurance coverage in accordance with Section 6.05.

6.10 Notwithstanding anything to the contrary herein contained the obligations of the Association under the provisions of Article VI shall be limited to the restoration and repair to or for so much of the Residential Units as constitutes structural improvement upon the real estate, and the Association shall not be responsible for repair, restoration or replacement of any personal property of the Residential Owners or others which, although situated in, on or about the Residential Units, shall not be attached thereto so as to form an affixed part thereof.

6.11 The Association may, but shall not be required to, obtain and maintain additional insurance as its Board of Directors shall from time to time deem prudent with respect to damage to or destruction of any property which is the responsibility of the Association to maintain, or of any or all of the Residential Units, from any cause not covered by the insurance hereinabove described, and may also obtain such other kinds of insurance protection against such other matters or happenings as its Board of Directors shall from time to time deem prudent. Provided, the Association shall maintain legal liability insurance in such

amounts as the Board of Directors shall elect and the Association may maintain fidelity bonds on all officers and/or directors who shall have charge or control over the collection and disbursement of Association funds.
